## The Sea of Toba is Abound with Pearls!

Toba City is the place where Kokichi Mikimoto, who is famous as the King of Pearls, was born and succeeded in pearl cultivation for the first time in the world. We are sure that high-quality pearls cultivated in the sea of Toba will definitely make you feel rich.

## 56 Hot Spring Hotels!

Toba Onsen-go in Toba City consists of nine seaside resort areas dotted with 56 hot spring hotels. Not only can hot spring water warm your body and heal your heart, but it also has efficacy for relieving your muscle pain, neuralgia, fatigue, etc. Those hot spring hotels offer baths with various types of good-quality hot spring water that have different benefits for health. Besides, those hotels provide various other services as well, and we would like you to especially enjoy hot spring baths while viewing the beautiful sea and fresh seafood delicacies.

Yukata (cotton summer kimono) are available at hotels in Toba Onsen-go!

Please enjoy the experience of wearing traditional Japanese clothes!

## Toba Onsen-go Offers Hot Spring Water for “Misogi”

“Misogi” is a Japanese term that means purifying one’s body with river or sea water before performing a Shinto ritual. Please stay overnight in Toba Onsen-go and take a morning hot spring bath for physical and mental purification before you visit Ise Grand Shrine.

## We Will Welcome You with Amazing Landscapes!

Toba City is blessed with islands of different sizes, which are typically seen along ria coasts. Here, you can enjoy beautiful ocean views that look totally different in the morning, afternoon and evening.

## You Can Enjoy Fresh Seafood!

A lot of fresh seafood delicacies including sea bream, lobsters, abalones, octopuses and oysters can be caught in the beautiful blue sea of Toba. Moreover, female divers known as “ama” have traditionally dived into the sea to gather seafood since a long time ago, and nowadays, their rest house called “amagoya” is gaining popularity among tourists as a place to enjoy fresh seafood while having communication with them.

## Japanese Celebratory Fish

“Abalones” are dedicated to Ise Grand Shrine. “Lobsters” are a symbol of longevity. “Sea bream” are essential for holding a banquet. In Toba City, the three types of seafood mentioned above are called the “Japanese celebratory fish.”

Please enjoy the “Japanese celebratory fish” as a symbol for good fortune if you have a chance to visit Toba.
